## REMARKS

During the interviews the Examiner and Applicant's representative discussed the Certificate of Correction dated December 27, 2006, and in particular the cancellation of claims 4 and 14 set forth in the Certificate of Correction.

The Examiner and Applicant's representative discussed whether a Certificate of Correction could be used to cancel claims from an issued patent. The Examiner concluded that the Certificate of Correction could not be used to cancel claims. The Examiner further indicated that the strikeout lines would be placed through the lines of the Certificate of Correction where said Certificate of Correction mentions cancelling claims 4 and 14.

If fees are due, then USPTO is hereby authorized to charge/credit Deposit Account No. 08-2442.

If the Examiner has any further questions or concerns, the Examiner is invited to contact the Applicant's undersigned attorney.
